### **JAK Creative Design president named to *Enterprising Women* advisory board**

Darien, Ill. (May 12, 2017) — Jill A. Kerrigan, president and owner of JAK Creative Design, has been named to *Enterprising Women* magazine's advisory board.

"*Enterprising Women* is excited to welcome Jill A. Kerrigan to our advisory board," Monica Smiley, publisher and CEO of *Enterprising Women*, said in her announcement. "We are looking forward to having Jill's expertise in design and marketing and know that she will make a great addition to our board."

The North Carolina-based publication for female business owners reaches an audience of thousands, and Kerrigan said she is excited to support its mission: communicating the successes, hopes, and concerns of entrepreneurial women around the world.

In addition to her new role with *Enterprising Women*, Kerrigan is affiliated with the National Association of Women Business Owners (NAWBO), and she is certified through the Women's Business Enterprise National Council (WBENC) and the U.S. Small Business Administration (SBA). In 2016, Kerrigan completed the Goldman Sachs 10,000 Small Businesses program.

In April, she was honored with an *Enterprising Women* of the Year Champion award.
